

**GUIDELINES FOR
HIGH PLAINS PASO FINO HORSE ASSOCIATION
EDUCATIONAL GRANT FUNDS**

Grants are limited to \$250 per event/per year and are available only to current High Plains members.

Any event supported by High Plains Paso Fino Horse Association must show benefit to our paso fino breed and/or to our association. Suggested activities include clinics, farm open houses, trail rides, horse fests, fun shows, etc.

Activities may be required to follow guidelines put forth by sponsoring organizations (such as Equifest of Kansas, Missouri Horse Fest, etc). Additionally, High Plains has developed specific guidelines for breed demonstrations.

Events involving presentation of our horses to the general public require that horses be shown clean, well groomed, and well behaved. Members involved in the event must also present themselves in good taste wearing clean, show approved attire appropriate for the class or type of activity being demonstrated. They will represent the association in all efforts to support and promote our breed and our organization.

Requests must be submitted at least one month prior to event (preferably longer if possible to allow for board consideration). When approved, copies of expense receipts and a summary of the event must be submitted to the board for disbursement of the grant funds once the event has taken place.

Event organizers are expected to take pictures of their events for publication in the newsletter and/or on the High Plains website (www.highplainspfha.org) and to document and take credit for their activity.

High Plains will publish/advertise the event in their newsletter, annual farm directory, and on their website if given sufficient notice.

Please submit the following form to Esther Oppliger, 2801 N. Broadmoor Pl., Garden City, KS 67846 or e-mail to eoppligerjr@cox.net. Once approved by the High Plains board of directors and upon receiving a list of expenses and summary of the event, an amount of up to \$250 will be awarded.
